PROGRAM

The Railroad History of Coolbaugh Township

Featured program will be presented by Mr. Kim Williams. Certain places in Monroe County are so steeped in railroad history that individual chapters should be devoted to them. This thought inspired “The Railroad History of Coolbaugh Township,” a program which admits to touching many – but not all – bases from Paradise and Tobyhanna Townships to Wayne and Lackawanna Counties.

Reservations must be made by October 7

Name(s): _____

\$25 per person

Amount enclosed: _____ (Please make checks payable to CTHA)
